For football fans Russian authorities provide VISA FREE Regime.

But it's necessary to provide to Russian border authorities the full info about the purpose of your arrival and appropriate docs (FAN ID, matches tickets, airplane tickets and others). They could ask also the Invitation or travel voucher.

Fans will be able to enter to Russia with a personalized document of the fan, it's also known as Russian FAN ID. In addition to the FAN ID, it will be necessary to provide an identity document (passport), as well as an entrance ticket to a match.

We will arrange and organize the delivery of originals of Fan ID and matches tickets to you before your depart from your country.

Also after arrival you will need to be registered according to the Russian law. We will arrange this registration too.

Transportation between host cities during the tour

Cities are located from each other at different distances from 100 km up to 2500 km

For every city, we will use different kinds of transport. It could be trains, buses and airplanes. Depends on schedule of the games and free time for road.

The road between cities will take you from 2 to 20 hours, and we suppose time specially for these transfers. By the way, you will have the opportunity to see the Russian reality more than standard tour. In each city you will be met by our company representative and transferred to the place of your stay-accommodation.

Accommodation during the tour

According to our Tours, you could stay in a appropriate accommodation - hostel, private apartments, hotel 3*, hotel 4*. The place of your stay will depend on the city and quantity of days. But all our places are clean and comfort, you will have bathroom and restroom, in hostels often is a kitchen. Everywhere you will have breakfast.

You will share a room with other football fans or with usual foreign travelers. Our hostels and 2*rooms are designed for 6-12 persons per room, like a "hostel style". But they aren't usual hostels, cause we have special contracts with local dormitories, which are usually used by the students of high schools.

You could book tour pack of higher level according to the rates.

Tickets to the Games:

If you book our tour with Match tickets , you will be provided with tickets in April-May 2018 when FIFA will issue them.

We will book tickets according to their Categories established by the FIFA. Nobody has possibility to choose exact seats, but only the Category. We will book at the same time tickets for you and for your friends, so «seats should be located close to each other»,- FIFA promises. The situation was the same during the FIFA Confederations Cup Russia 2017. The seats really were close to each other. For example, we booked at the same time tickets for 4 friends and finally their seats were -154 and 155, 158 and 159.

Payment for matches tickets will be charged directly from your credit card by FIFA and they will be sent by FIFA directly to your address.

Also you will need to get FAN ID by post. You will need both these docs - Match ticket and Fan ID for entering to Russia. We fulfill all necessary forms.

The Tickets are of Three Categories for foreigners: 1, 2, 3. They are with different prices and with different location in stadiums.

Category 1 tickets are the most expensive.

Category 2 tickets are the medium.

Category 3 tickets are the cheapest.

Almost all stadiums in Russian host cities are of the same shape. We provide to you location of Categories in Stadium in St.Petersburg. Other stadiums are almost the same with location of Categories. So, you could see where is tickets location and decide what Tour pack to choose.
